

This Trial Font License ("License") is a License between you ("you" or "your") and Arrow Type LLC ("ArrowType," a limited liability company based in New York). This License governs your access to or use of ArrowType's trial fonts and related software and materials ("Trial Font" or "Trial Fonts"). By accessing, downloading, installing, or using any Trial Font, you agree to be bound by this License. This License affects your legal rights and obligations. If you do not agree to be bound by this License, do not access, install, download, or use the Trial Fonts.

TRIAL FONTS

ArrowType is providing Trial Fonts to you for testing and evaluation. You acknowledge that Trial Fonts may be limited in function for that purpose and not enable you to create a complete set of characters, symbols, glyphs, letters, or punctuation.

PERMITTED USE

You may use Trial Fonts only for personal, educational, or internal testing and evaluation purposes. Allowed uses of the Trial Fonts ("Permitted Uses") include:

- Unpublished personal reading, writing, and design exploration.
- Mock-ups or presentations to clients to showcase potential uses of any Trial Font. For example, a design agency may use the Trial Fonts to pitch potential branding to a client. That client must then purchase a commercial license to use ArrowType fonts publicly.
- Educational projects, so long as you are not compensated for the work. These projects may be openly published with only a trial license, so long as the work includes credit for all typefaces used. Students: if you need non-limited trial fonts for your projects, please email hi@arrowtype.com!
- You may publicly use the Trial Fonts in posts on Social Media, provided that you credit & tag @ArrowType on such posts.

If you receive compensation for work done after publication (e.g. your educational thesis project is sold by a publisher, or your speculative branding project is purchased and used by a company), the entity publishing and/or using the fonts must purchase commercial licensing.

PROHIBITED USE

Uses not described above (under "Permitted Use") require a paid, commercial license from ArrowType. Uses requiring a commercial license include but are not limited to: public facing commercial advertising, use on a personal website, or paid internal design such as internal business software or corporate events.

LICENSE

ArrowType grants you a personal, worldwide, royalty free, nonassignable, nonsub licensable, revocable, and nonexclusive license to use the Trial Fonts for the Permitted Uses ("License"), provided that you: (i) shall not transfer, give access to, or distribute any part of any Trial Font to any third-party without ArrowType's prior written consent; (ii) shall not attempt to reverse engineer, alter, or modify any part of any Trial Font; (iii) shall not attempt in any way to emulate, mimic, or otherwise create a substitute for any Trial Font, including outlining; and (iv) comply with this License. The License will continue until this License is terminated. ArrowType retains all rights in its Trial Fonts, and you acknowledge that you have no rights in the Trial Fonts outside of this License.

OWNERSHIP

The Trial Fonts are subject to trademark, service mark, trade dress, copyright, or other intellectual property rights or licenses held by ArrowType. No right, title, or interest in any Trial Font is transferred to you

as a result of this License.

TERMINATION

You may terminate this License by ceasing use of and destroying your Trial Fonts. If you wish to use a Trial Font after termination, a new licensing License is required for use. ArrowType may terminate this License immediately without cause at any time by notifying you. If you breach this License, this License will automatically terminate. You agree to pay ArrowType's reasonable attorneys' fees incurred in connection with an investigation or action or proceeding arising from your breach of this License.

LIMITED LIABILITY

Neither Party will be liable for any indirect, special, incidental, or consequential damages, or lost profits, that may arise in connection with this License. ArrowType's liability arising out of this License will not exceed the amount you paid for the Trial Fonts.

EXCLUSION OF IMPLIED AND OTHER WARRANTIES

The Trial Fonts are provided "AS IS". ArrowType makes no warranties, express or implied, and disclaims all implied warranties, including any warranty of merchantability or warranty of fitness for a particular purpose.

TRANSFERABILITY

You shall not transfer or assign this License or any right or obligation of this License, by operation of law or otherwise, without the prior written consent of ArrowType.

CLASS ACTION WAIVER

You agree not to bring or participate in a class or representative action, private attorney general action, or collective arbitration related to the Trial Fonts or this License. You also agree not to seek to combine any action or arbitration related to the Trial Fonts or this License with any other action or arbitration without the consent of the Parties and all other actions or arbitrations.

NO AGENCY

Nothing in this License will be deemed to create any association, partnership, employment, joint venture, or agency relationship between the Parties. The Parties will not have the right or authority to create any obligations of any kind, make any representation or warranty on behalf of the other Party, or to bind the other Party in any respect, unless approved in writing by both Parties.

MISCELLANEOUS

This License constitutes the entire License between the Parties with respect to the Trial Fonts and supersedes all prior understanding, whether written or oral. Except as provided in this License, no term or condition of this License may be amended or deemed waived, except by a writing signed by the Parties that refers to this License. If any term or part of a term of this License is invalid, illegal, or unenforceable, the rest of the License will remain in effect.
